

**Camp of Israel route, May–June 1834.** In May and June 1834, the Camp of Israel traveled to Missouri to assist the Saints who had been driven from Jackson County, Missouri. The main contingent of the camp journeyed from Kirtland, Ohio; another group, led by Hyrum Smith and Lyman Wight, was recruited in Michigan Territory and left from there. The two contingents joined together at the Salt River (Allred) settlement on 8 June 1834 and then proceeded into Clay County, Missouri. (Research and design by Brandon Plewe.)
